WHAT IS DECA?

DECA is a co-curricular marketing club that prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe.

Established in 1946, DECA now has over 180,000 student members nationwide (10,000 alone from Washington state). DECA prepares students for success in school, in business, and in life by teaching them the skills for success - leadership, networking, confidence, and communication - and most of all, how to make learning fun.
