Hello everyone! This past year of 2012 brought many changes to the Seattle-Bergen Sister City Association. Our past treasurer, John Torgersen passed away on October 8, 2012. He was working on our 501c3 status and was successful in renewing this status to the association before leaving us. We had a successful honoring of Olaf Kvamme and Bergen as a Sister City down at City Hall in May. We also filed our activity report to the city for 2012. Now we would like to continue this forward movement with renewing popular events and researching/adding some new activities. Dan Kaylor has agreed to organize the Seattle Seven Hills walk which happens in May.
